

BLOOM HUB

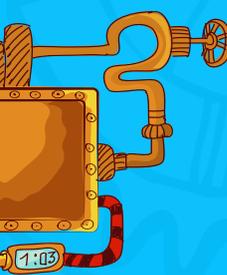

Course Catalog

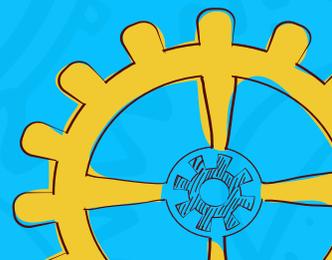

Hello Bloomers!

**Welcome to Bloom Hub, where
imagination takes flight and
ideas come to life**

**At Bloom Hub, we focus on
two things: fun and the future.
We ensure your child not only
enjoys but also gains skills
that set them up for success.
Join us and watch your child's
creativity and confidence soar**

OUR PROGRAMMES

IMAGINE STEM

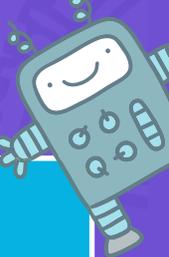

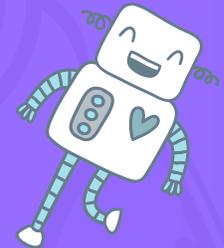

(Ages 5–7)

Brick Bots & STEAM

Let your child build awesome robots at Bloom Hub! They'll have fun creating brick bots, doing cool experiments, and making unique crafts. It's a great way for them to learn and play at the same time.

Choose From

Wednesday	03:00 PM – 4:30 PM
Friday	03:00 PM – 4:30 PM
Saturday	10:00 AM – 11:30 AM 02:00 PM – 03:30 PM

Per Class 30,000 | 12 Classes Tsh 360,000

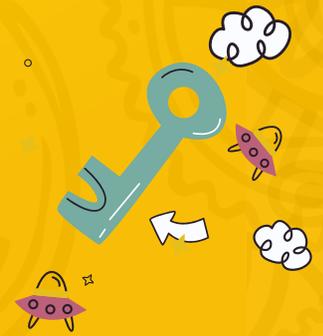

DISCOVER STEM

(Ages 8–12)

This comprehensive program is designed to inspire curiosity and foster innovation at every level.

Modules include;

1. Robotics
2. Coding and Programming
3. Basic circuits & electronics
4. Creative hub

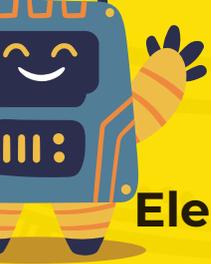

PYTHON

JAVA

Robotics

Elementary STEMmers (course duration : 12 classes)

Let your child explore the exciting world of robots at Bloom Hub! They'll learn how robots work and even build their own moving robot. It's a fun way to discover designing and building. Watch as your child creates their very own robot friend and picks up cool new skills!

Progressing STEMmers (course duration:12 classes)

Watch your child advance at Bloom Hub! They'll improve their coding skills to add exciting new features to their robots. It's a great way for them to deepen their understanding and bring more complex ideas to life!

Expert STEMmers (duration 12 classes)

At this level, kids at Bloom Hub get hands-on with Micro: bit! They'll dive into the fascinating world of using a micro-controller to direct their robotic creations. It's a perfect way to see their ideas come to life through technology!

Choose From

Monday

04:30 PM – 06:00 PM

Wednesday

04:30 PM – 06:00 PM

Saturday

**12:00 PM – 01:30 PM
04:00PM – 05:30 PM**

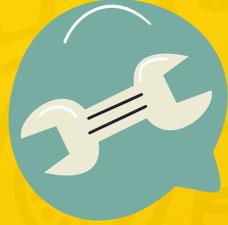

Per Class 30,000 | 12 Classes Tsh 360,000

Coding & Programming

1. Game development and storytelling

Scratch Edition (duration 12 classes)

2. Android app development AI2 Edition (duration 12 classes)

Kids at Bloom Hub get creative with technology! They'll design their own games, build dynamic platforms, create cool user interfaces, and even code Android apps. It's a fantastic way to develop both their creativity and tech skills!

Choose From

Tuesday

04:30 PM – 06:00 PM

Saturday

10:00 AM – 11:30 AM

Per Class 30,000 | 12 Classes Tsh 360,000

Basic Electronic Circuits

1. Introduction to basic circuits (duration 12 classes)

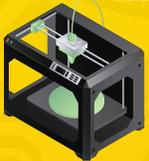

2. Project-based learning with circuits (duration 12 classes)

Dive into the world of circuits at Bloom Hub! Start with the basics in our beginner's course, then tackle fun projects that include sensors. Kids learn by doing, using their creativity to solve real problems with their own prototypes!

Tuesday

04:30 PM – 6:00 PM

Per Class 30,000 | 12 Classes Tsh 360,000

Creative Hub

**Introduction to 3D modeling and printing
(duration 12 classes)**

Join the adventure into digital design at Bloom Hub! Kids start by creating their own 3D models from scratch, diving into a world full of creativity. They'll master essential 3D modeling skills while having loads of fun!

Choose From

Friday

04:30 PM – 06:00 PM

Saturday

02:30 PM – 03:30 PM

Per Class 40,000 | 8 Classes Tsh 300,000

ADVANCE IN STEM

(Ages 13–16)

1. Advanced Electronics and robotics

Level up at Bloom Hub with our Arduino course! Kids will dive into the world of micro-controllers and sensors, learning to build their own working prototypes. It's perfect for those eager to deepen their understanding of electronics and robotics!

Choose From

Monday

04:30 PM – 06:00 PM

Wednesday

04:30 PM – 06:00 PM

Saturday

04:00PM – 05:30 PM

Per Class 30,000 | 12 Classes Tsh 360,000

2. Pro design hub

Discover the power of creativity at our Pro Design Hub! Kids transform their ideas into reality, exploring advanced 3D modeling with a focus on precision. It's where imagination meets cutting-edge technology!

Friday

04:30 PM – 06:00 PM

Per Class 40,000 | 8 Classes Tsh 300,000
