

**EAST AFRICAN
CRUDE OIL
PIPELINE**

**REQUEST FOR EXPRESSION OF INTEREST: PROVISION OF TEMPORARY GENERATORS/
LOAD BANKS AND ANCILLARIES. REFERENCE NO. REQ-00000648**

East African Crude Oil Pipeline (EACOP) LTD ("EACOP LTD") invites experienced and reputable companies to express their interest in the Provision of Temporary Generators, Load Banks and related Ancillaries for the commissioning activities of East African Crude Oil Pipeline (EACOP) Project.

The EACOP Project involves the construction and operation of an underground and cross-border pipeline to transport crude oil from Lake Albert area in Uganda to eastern coast of Tanzania for export to international markets. The pipeline will run from Kabaale, Hoima District i Uganda to the Chongoleani peninsula in Tanga, Tanzania. The length of the pipeline is 1,443 km, of which 296 km will be in Uganda and in 1,147 km in Tanzania. In Tanzania the pipeline will traverse eight (8) regions comprising of Kagera, Geita, Shinyanga, Tabora, Singida, Dodoma, Manyara and Tanga, 27 administrative District Councils, and 231 villages.

BRIEF DESCRIPTION OF THE SCOPE OF THE SERVICES:

EACOP Ltd as part of its construction activities across its constructions sites within the eight regions crossed by the EACOP Pipeline in Tanzania, seeks a reputable company or organizations with capabilities and capacity to provide temporary generators/load banks and ancillaries for a period of up to 22 months. The requirement for the equipment and services shall include, but not limited to:

- Provision of 14 temporary power generators sized between 75kVA and 1.5MVA including distribution boards, cables, accessories.
- Provision of approximately : DC Load Banks sized for UPS rating between 10 kVA and 150 kVA.
- The selected service provider will be responsible for the mobilisation, installation and demobilization of temporary power generators, load banks, cabling, distribution boards and related ancillaries.
- The selected service provider will be responsible for the temporary power generators service & maintenance.
- The temporary equipment will be required at various locations Tanzania along the pipeline to suit the sequencing of the commissioning activities.
- All supplied equipment will be subject to certification and conformity checks in accordance with national and project standards.

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- Brief description of experience, expertise, and capacity to deliver the required scope of services.

- Details of similar projects or activities undertaken which provide evidence of qualified and available team, knowledge of pipeline regions, and track record of the above listed experience.
- Business License.
- Certificate of Incorporation and recent BRELA official search (attach copy).
- Proof of Registration with the EWURA Local Supplier Service Provider (LSSP) database or an approved application at the time of submission of the response to this expression of interest is strongly recommended.
- Compliance with Local Content Regulations, 2017 and Local Company definition.
- Proof of registration with the Tanzania Revenue Authority (TRA) and Tax Clearance Certificate for the latest year available.
- Financial capacity to deliver the services required including submission of financial accounts for the past three years
- Evidence of a QHSE Management system, organization, and process in compliance with applicable Local and Industry standards for similar works.
- Proof of Anti-corruption, Anti-bribery, Compliance and Human Rights policies.

Companies or Organizations which have the ability, capacity, and resources to implement the activities listed above should express their interest by sending an Expression of Interest (EOI) via email, together with the above listed documents through an email to procurement.tz@eacop.com (max. email size 20Mb) on or before 17:00 hours East African Time (EAT), on 27th December 2024. Email subject shall be: **REQ-00000648 Provision of Temporary Generators/Load Banks and Ancillaries (TZ).
