BIDS PROPOSAL
FOR
ESTABLISHMENT OF SODA ASH PROCESSING PLANT AT ENGARUKA BASIN**

THE NATIONAL DEVELOPMENT CORPORATION (NDC) was established as a statutory body by an Act of Parliament in 1962 and it is wholly owned by the Government of the United Republic of Tanzania. NDC has responsibility for promoting economic development in Tanzania in partnership with the private sector. NDC has several mineral concessions in the country, among which is the Engaruka Basin's Soda Ash concession

PROJECT LOCATION AND ACCESSIBILITY

Engaruka Basin is located at Moduli District, Arusha Region. It is 50km Northeast of Mto wa Mbu Town and 58km Southeast of Lake Natron. The area can be accessed through the Arusha - Kiteto Road, then through Mto wa Mbu to Loliondo road. Arusha to Engaruka basin is about 190km.

THE SELECTION OF POTENTIAL INVESTOR

is a competitive process and will be based on rigorous evaluation process which may include but not limited to proposal adequacy and clarity, management set up, expertise and relevance to the project, institutional capacity (financial, technical and technology), sustainability and experience in undertaking similar or related project.

PROPOSAL DOCUMENT: Interested Investor may apply for the Establishment of SodaAsh Processing Plant at Engaruka Basin, and follow the requirements as described in the Bid document found on the NDC website: www.ndc.go.tz/publications. Completed proposals must be submitted in English via the NDC email: pmu@ndc.go.tz. All Bids proposal shall be addressed to the Managing Director and be submitted at or before **13th February, 2025, 1159 Hrs.** (11:59 am) East African Time. Applicants shall pay a nonrefundable **application fee of USD 250 or Tanzanian Shillings equivalent through CRB account number 0150441547100 for TZS Or NBC account number 011105017528 for USD. The Corporation has the right to reject all proposals and shall incur no any liability.**

The information and documents submitted for the purpose of Bids proposal will be treated strictly confidential and for this purpose only. Response to Applications in respect of the Establishing of Soda Ash Processing Plant at Engaruka with the following address:
